OFFICE OF THE CHIEF COMMANDANT,

To

Secy 3019. Read back with report 30/9/24

SIR,

With reference to Govt.Order No.G.1132-3/Mily.35-24-2 dated 8th August 1924, sanctioning a pension of Rs.9-13-0 per mensem to Subedar Abdul Rahimon of Mysore Transport Corps, I have the honor to forward herewith copy of a petition dated 16th September 1924 from the pensioned Subedar praying for reconsideration of the orders passed in his case and requesting the grant of full pension to which he is entitled.

On examining the records carefully, I find that no specific charge is proved against him. He has obviously been punished merely on suspicion that he colluded with the Quarter Master. In view of this fact and considering the service of 22 years including Field Service, which he has put in, I would suggest a sympathetic view of his case being taken by Government.

Not dealt with in Secretariat

I have the honor to be,
Sir,
Your most obedient servant,

J.A.W. Foottit Major I.A.

Chief Commandant,

Q

To

The Chief Commandant,

Mysore State Troops, Bangalore.

Respected Sir,

With due respect and humble submission the undersigned discharged Subedar Abdul Rahimon of Mysore Transport Corps begs to bring to your kind notice as a last chance my poor and sad case with a hope of meeting with success at your honor's merciful hands.

I beg to invite your kind reference to the Government Order of 6th January 1923 passing orders re-granting me half the gratuity to which I was entitled on the ground that I was implicated in the alleged irregularities in connection with despatch of stores to Bukkapatna. I beg most respectfully to state that I have already represented to my superior Officers that I had nothing to do with any shortages and as such I am not liable for any blame in any way. But it was all a cry in the wilderness. I had therefore quietly to submit to the said Government Order.Being honest in the heart of my heart I am fighting for right and justice. I explained to your honor on 5th December 1923 my story in brief with a result after kind and careful perusal of my records my case may be finally disposed of. I beg to explain that the quantity of rations that I signed for with Quarter Master Gulamahmed,i.e.28 bags in all has been correctly handed over to Duffedar Gulam Ahmed and Jamedar Abdul Razack who have corroborated the same in their statements. My whole connection with the rations or stores ends there and I cannot at all imagine on what grounds anybody can charge me with having colluded with Gulam Ahmed Quarter Master at Bangalore and Gulam Mrituza Beg and the detachment Officers The quantity I took has been handed over and acknowledged. In case I have signed for a larger quantity at Bangalore than I am at fault, but it is not so. All this and my complete honesty will be clearly and plainly seen if the enquiry

records are simply studied again.

In this connection I beg to point out that nothing about the occurances of this road march of 27th July 1921 has been enquired of me or recorded. Thus giving me absolutely no chance of proving my honest handing over of the rations from Bangalore to Bukkapatna I am treated unjustly.

It may also be clearly seen from the entire records that nothing went wrong with the rations taken by me by road journey in July 1921. But it is a great pity that no body has considered the above points and examined the records minutely, for when my humble petition went up to Government again with the statement of my hard earned service of 22 years one month(including field service) Government were again so very unkind as to substitute simply the words 'Half Pension' in place of half gratuity.

I beg to appeal to your honor that I feel utterly humiliated in the eyes of comrades even in the lowest ranks of drivers had better treatment by way of pensions etc, while I am made to get only a pension of Rs.9-13-0 instead of Rs.19-10-0 for my unblemished long service. I approach your kindness with this last attempt of mine with the fervent hope that you will stretch your hands and do me justice by getting my records examined once again and sanction the full pension to which I am rightly entitled.

I am fighting for justice, and if this is denied for a man whose life was at the service of the Government, it will be hardest possible injustice. What is required is a perusal of the records and nothing more.If records are perused justice is sure to come out.

I once again pray for your honor's kind intervention and render justice and also appeal to your mercy.

I beg to remain
Respected Sir,
Your most obedient servant,
